

RASATHANTHRA 2017

(A National Level Quiz Competition for Engineering / Science Under Graduate and Post Graduate Students on Hydrogen and Other Renewable Energy Sources)

Date

16/12/2017, Saturday

Venue

Department of Chemistry,
St. Berchmans College, Changanassery,
Kottayam-686101, Kerala

Organized by

Department of Chemistry, St. Berchmans College,
Changanassery

in association with

Indian Association for Hydrogen Energy and
Advanced Materials

and

Department of Chemistry,
University of Kerala

Sir/Madam,

We, at IAHEAM, have been able to conduct momentous programs for the promotion of Hydrogen Energy. Being a chapter of 'International Association for Hydrogen Energy' and focuses mainly on youngsters, we get good guidance and encouragements from Prof. T. N. Veziroglu, its President and the people from its Young Scientists Division. We get appreciable support from senior professors/scientists from different countries for our academic activities including for the review of HEAM Scholar Letters. We get good response from students, research scholars and young scientists from leading institutes / Universities in India on our activities.

Department of Chemistry, St. Berchmans College, Changanassery, Kollam, Kerala, in association with IAHEAM and Department of Chemistry, University of Kerala proposes to conduct a national level quiz competition: **RASATHANTHRA-2017 on 'Hydrogen and Other Renewable Energy Resources'** for engineering and science graduate students of all research and academic institutions (PG and UG students may apply, with the condition of one team per college from each section). Lectures and film shows based on the same has also been arranged along with the programme which is expected to inculcate scientific thought among the students. We predict that the event will improve the thinking level and research skill of the students. It will enhance the interaction among the students of various academic institutions. The competition and the lectures are expected to be graced by the presence of several leading personalities from leading academic / research institutions in India.

(www.iaheam.org ; Email: hydrogenmela@gmail.com)

The filled in application in the prescribed format (See page4) should be sent to aravind.sbc@gmail.com along with the recommendation of the respective Head of the Division / Department of the Institute / University.

Interested students should register on or before **12th December, 2017**. **The winning Team comprising of two students of the same Department/institute– will be given a cash award of Rs.10,000/-.**

We, the members of IAHEAM, Students and Staffs of the Department of Chemistry, SB College, Changanassery request you to grace the event by your esteemed presence on Saturday, the 16th December, 2017.

Dr. S. M. A. Shibli (President, IAHEAM), HEAD,
Department of Chemistry, University of Kerala

Mr. Aravind K. (Convenor), Assistant Professor
Dept. of Chemistry, St. Berchmans College, Changanassery

Contacts:

Ph. No. 8714308357 (Mr. Aravind K.)

Note:

- a) The decision of the organizing committee will be the final during the event.
- b) PG and UG students may apply, with the condition of one team per college from each section
- c) No T.A / D.A will be given. No accommodation will be provided.
- d) Number of participants will be limited by first come first serve basis. There will be a screening test (written) for the selected students and the leading five teams will be allowed for the final oral competition.
- e) Print out of the duly filled registration form attested by the Principal must be produced on 16/12/2017.

Last date of Application for the competition: 13.12.2017

Last date of Application to attend the event: 14.12.2017.
